Ladies' Aid Society Entertained at the
Home of Mrs. W. A. Lund—New Fire
Alarm Box Installed—Men's League
Committee Meets—Personals and
Notes.
The Ladies' Aid society of the Pe-
terated church met Tuesday afternoon
at the home of Mrs. William A. Lund
on Prospect street. There was a large
attendance. The reports of the secre-
tary and treasurer were read and ac-
cepted. The regular routine of busi-
ness was transacted. Following the
business session, a social afternoon
was enjoyed, at which time the ladies se-
lected an article for their coming sale.
Refreshments were served by Mrs.
Lund, assisted by her sister, Miss Lil-
lian Anderson, of Quinebaug. The
next meeting of the society will be
held at the home of Mrs. Albert Hay-
den of Fourteenth street.
Rev. A. W. Burdon Speaks at Noonday
Meeting.
Rev. A. W. Burdon spoke at the
noonday Young Men's Christian as-
sociation meeting which was held at
the American Thermos Bottle company
Wednesday afternoon. Burdon's sub-
ject was The Bad Bargains We Make.
He took for illustration Jesus's selling
his birthright and Judas selling his
Lord and Master, saying that each of
these men sold what they had for
what they wanted, but it was not long
after that they discovered that they
had bought something that they did
not want and regretted. So it is with
us today; many of us sell our man-
hood and soul for something that we
think we want, but in after
years we see the folly of our bargain
and regret. He said that we should
make the selling of our earthly lives
to Jesus Christ for eternal life.

RENDERED VERDICT FOR DEFENDANT
Cornelius W. Donovan Sued for \$100 for Loss of Horse—
Animal Caught Hind Leg Between Plank and Rail at
New Haven Road's Crossing at Baltic—Common Pleas
Jury Took Case on Wednesday Afternoon.
Wednesday afternoon a jury in the
common pleas court brought in a ver-
dict for the defendant in the case of
Cornelius W. Donovan of Hanover
against the New York, New Haven and
Hartford railroad. The case was an
action for the recovery of \$100 for the
loss of a horse which caught one of
its hind legs between the platform and
one of the rails at the New Haven
road's crossing at Baltic. He claimed
that the horse was driven across the
crossing when one of its hind feet be-
came caught between the platform and
it sustained injuries of such a na-
ture as to cause its death. Included
among the witnesses were George E.
Fitzpatrick, who showed a large plat-
form of the location of the scene of the
accident. Other witnesses were Ann R.
Fitzpatrick, Cornelius W. Donovan, Frank
E. Coles, W. C. Donovan, Raymond J.
Jedolin, Curtis L. Hazen and W. H.

**NO APPRECIABLE CHANGE
AT NOANK YARD**
Expected That Morse People Will Have
Repair Work Done There.
The new Morse shipyard to be es-
tablished at East Point, Conn., will
make any appreciable change in the
operation of the plant at Noank. The
land at the point where the yard is lo-
cated is almost entirely made land
and is not suitable for the building of
the big ships the plant contemplates
building, but for repair work no bet-
ter spot can be found. While there
will not be such a great demand for
work as there was at the old yard, it
will not be such a great deal, with-
out doubt, be enough at Noank to keep
things pretty busy and it is expected
that the new yard will find its way
there.
It was reported Wednesday morning
about the village that 50 negroes were
about to arrive during the day from New
York to work in the Palmer shipyard.
Quarters, it is said, are being pre-
pared for them in the old yard, and
the Morgan property, on the east side
of the yard. Men are at work there
putting the house in readiness to re-
ceive these newcomers and several
banks have been put up.
About 30 men, recent arrivals, have
claimed the right to work at the plant
and are not in agreement to them.
**LITTLE DANGER FROM
SMALL POX CASE**
Child Was Only in New London a Few
Days Before Illness.
No new cases of smallpox were re-
ported to the New London health de-
partment Wednesday. The only case
in the city is that of the Ruddleck
child, which was discovered Monday
night.
Health Officer Edwin C. Chipman
states Wednesday that there is no
particular danger from the case. The
child was only in New London a day
or two before the disease was dis-
covered and it had only been in con-
tact with two or three children dur-
ing that time and they were all vac-
cinated.
There is some danger, however, says
Dr. Chipman, from outside infection.
There are 21 cases of the disease in
Waterbury and several cases in other
places in the western part of the
state and contagion is possible from
that source.

PERSONALS AND NOTES.

**MYSTIC MILL TO
START FULL TIME**
Plant Has Been on Four Day Schedule
For Several Weeks Back.
Notices have been posted that full
time will be resumed at once at the
Mystic Manufacturing Co.'s mill in
Greenmanville. The plant has been
running on four days a week since
three weeks before election. The
business outlook for the mill, which is
engaged as heretofore in the manu-
facture of nothing but the high grade
products, is encouraging for the fall
and winter and the number of con-
tracts to be filled warrants the re-
sumption of business at full time for
the present at least. Just what effect
the end of the war in Europe will
have on the business and how soon
after the close of the war this effect
would make itself felt in the woolen
business is a question that cannot
be answered satisfactorily at present.

**MOTHER'S REMEDY
FOR BRUISES**
CHILDREN'S BUMPS, SPRAINS AND
MINOR HURTS QUICKLY RE-
LIEVED BY SLOAN'S LINI-
MENT.
It is the very nature of children to
hurt themselves—to come crying to
mother with little fingers bruised, with
heads bumped, with sprained ankles
and wrists.
They are painful hurts, too. But
their pain and sting can't survive the
gentle use of this Liniment. A single
application of Sloan's Liniment—and
the little fellow's bravely kept back
tears give way to smiles. His hurt is
relieved.
In every home where there are chil-
dren a bottle of Sloan's Liniment is a
necessity.
Aching muscles, rheumatism, lum-
bago, stiff neck, backache, chilblains,
etc., can be effectively relieved with
Sloan's Liniment. Cleaner than mus-
saints or plasters.
Sloan's Liniment can be obtained at
all drug stores, 25c, 50c and \$1.00.

Geese Fly Over Bear Hill.
A former resident of Norwich Town,
now living on Bear Hill, in Broom-
field, writes: Seven flocks of wild geese
passed over the hill Wednesday, going
south. In each flock were more than
one hundred. Chickadees are getting
sociable about the trees in the door-
yard, and an occasional solitary starling
is to be seen.
Prayer Meeting Topic.
The subject to be considered at the
midweek service of the First Congrega-
tional church this (Thursday) evening
is Grounds of Christian Thanksgiv-
ing, and a collection for The Broom-
field Opportunity, and The Gifts and Joys
of Personal Relations.
At Massapeag Funeral.
Mrs. Edwin Gay of Town street has
been in Massapeag for several days.
Mr. and Mrs. Gay and sons, Stanley
and Maurice, attended the funeral of
Mr. Gay's father, E. A. Gay, Wednes-
day at Massapeag.
Heard and Seen.
Mrs. Gustave Johnson of Brooklyn,
N. Y., visited friends on West Town
street during the past week.
Selectman Charles Bushnell of the
Old Canterbury turnpike was over-
seen work at Peck's Corner Wednes-
day.
Charles Volmer and his niece, Miss
Myrtle McConville of Stonyfield, con-
tinued their visit in Westville during
the week.
From several different places up-
town came the report that the mer-
cury registered 10 degrees above zero
Wednesday morning.
Rev. J. O. Barrows of West Town
street was in Ledyard Wednesday to
attend the jubilee meeting at the
Congregational church.
Mrs. A. D. Herrick returned this

**SAVING ARMY CAPTAIN
MAKING CHRISTMAS PLANS.**
Came to Norwich Too Late to Insure
Success of Thanksgiving Plans This
Year.
Although the Salvation Army has
made no plans for the Christmas
giving this year, the captain is plan-
ning to make special observance of
Christmas for the city's poor. The new
captain has come here only recently
and has had but little chance to ar-
range for the Thanksgiving dinner.
The worthy poor of the city
will not have to pass the day by un-
noticed, for the City Mission will care
for them as in past years.
The meetings at the Salvation Army
hall are well attended. Meetings are
held Tuesday, Wednesday and Satur-
day evenings and on Sunday afternoon
and evening.
Came to Norwich by Auto.
Several New Londoners motored to
Norwich Tuesday evening for a visit
to the Misses Sheridan. Among those
who came from New London here
were Mrs. Edwin Gay, Miss May
Dunham, Miss Katherine Glynn, Miss
Gertrude Donohue.
Painting Steeple at Uncasville.
Watching the painter on the Uncas-
ville church steeple has created quite
a little diversion this week for so-
cially minded people. The painter
of the church has been painted white
and looks very attractive.

Local Baker Reduces Size of Loaves
of Bread—Chicken Thieves Skin
Town—Many Flocks of Wild Geese
Seen—Personals and Notes.
The high cost of food products has
at last been felt in this place. A local
baker owing to the high cost of flour
and other ingredients in bread mak-
ing has reduced the size of the loaf
which he previously sold to his
customers. The reduction is not great
but sufficient to cause an increase
in the cost of producing the bread.
Arrangements for Kermis Made.
Plans have been completed for the
kermis which will be given in Parish
hall Tuesday and Saturday of next
week by the Sacred Heart Parish. On
Tuesday an entire afternoon enter-
tainment will be given by the French speaking
Children of Mary and on Saturday eve-
ning the English speaking children
will give an entertainment. Each with
affair is under the direction of Rev.
U. O. Bellerose.

Benoit's Team Wins Match.
In the pool match between Benoit's
team and the Peppin team, the former
won by the score of 130 to 110. The
players of Benoit's team executed sev-
eral difficult shots which brought ap-
plause from the spectators. The teams
lined up as follows:
Benoit's team—Bussiere, Mulleer,
Dupont and Dufault.
Peppin's team—J. Peppin, N. Peppin,
Roberts and Murphy.
Chicken Thieves Leave Town.
Many chicken coops have been rob-
bed of their contents during the last
week and the police are endeavoring
to locate the thieves. Several have
been committing these robberies were
unknown. Now it develops that they
were coming from local thieves who
since left town and the authorities
will in all probability locate them with-
in a short while. Warrants for the
arrest of the thieves have been issued.

Notes.
The repairs at the compressed air
plant have been completed.
William Wohlleben motored to Will-
imantic Tuesday where he was the
guest of friends there.
Several flocks of wild geese were
seen by local people flying over the
town late Wednesday afternoon.

Mr. and Mrs. Jesse Greenhalgh of
Williamsville were the week end vis-
itors at the home of Mrs. Shaw on
North E. street.

**DON'T SUFFER
WITH NEURALGIA**
Musterole Gives Delicious Comfort
When those sharp pains go shooting
through your head, when your face
seems as if it would split, just rub a
little Musterole on the temples and
neck. It draws out the inflammation,
soothes away the pain, usually giving
quick relief.
Musterole is a clean, white oint-
ment, made with oil of mustard.
Better than a mustard plaster and
does not blister.
Many doctors and nurses frankly
recommend Musterole for sore throat,
bronchitis, croup, stiff neck, asthma,
neuralgia, congestion, pleurisy, rheu-
matism, lumbago, pains and aches of
the back or joints, sprains, sore mus-
cles, bruises, chilblains, frosted feet—
colds of the chest (if often prevent
pneumonia). It is always dependable.

Dependability
We are as much interested in
any article you buy here, after
you have bought it, as we were
the day it came into our store.
We do not consider our respon-
sibility at an end when an ar-
ticle is sold, but feel that every
article that we sell, whether it
be a Diamond Ring or a Big
Ben, must give satisfaction and
be just as we represent it.
This policy is bringing us new
customers daily. Are you one of
them?
